Agricultural chemicals including equipment oil and filters will not be accepted. For information on disposal of agricultural pesticides & other hazardous waste visit: <http://cleanfarms.ca> or contact GFL Environmental at **306.244.9500**.

Commercial, industrial & institutional hazardous waste will not be accepted. For information on disposal contact GFL Environmental at **306.244.9500**.

Paint / stain & electronics may be taken to any SARCAN Recycling Depot. For a list of acceptable products & to find a location near you visit www.SARCAN.ca.

Other Recycling Opportunities in the Community

Local retailers may accept specific materials for disposal or recycling during their regular business hours. Visit <http://saskwastereduction.ca/> for more information.

Paint

Leftover paint and empty paint cans are accepted without charge at all SARCAN recycling depots. A complete list of items accepted under the Saskatchewan Paint Recycling Program can be found on SARCAN's website. Paint that is not accepted through the SARCAN program can be dropped off at a Household Hazardous Waste Event.

Electronics

Electronics are accepted without charge at all SARCAN recycling depots. Residents and businesses can drop off:

- Desktop and portable computers
- Computer equipment (keyboards, mice, cables and internal components)
- Desktop printers and fax machines, displays (TV's, computer monitors)
- Audio / video systems (personal or portable, vehicle, home)
- Cellular and Non-cellular telephones
